

Welcome to the Web Store

NOW AVAILABLE: ONLINE MEAL PAYMENTS!

As a convenience to parents, St. Mary's now provides parents an easy way to add money to their student's food service account. Online payments can be made into food service accounts through the Infinite Campus parent portal they currently use. We have contracted with RevTrak, a national credit card payment processor, to provide a secure site for making payments.

YOU CAN PAY FOR MULTIPLE STUDENTS AT ONCE!

Parents can make payments online while on their home or work computer, any time of the day. If their student's food service balance is low, it only takes a few minutes to add money to it using their Discover, VISA, or MasterCard credit or debit card. Payments are made through the student's Infinite Campus account. A link to Infinite Campus can be found on the school district's website at:

<https://sites.google.com/a/slstm.org/slstm/>

To Make Online Payments the parent will need:

- Discover, VISA, or MasterCard (Debit or Credit Card) – card number & expiration date
- Infinite Campus Login and Password

Payments made through Infinite Campus will immediately be posted to the student's food service account. All credit card statements will show the payment has been made to Parish of St Mary's.

Please visit the St. Mary's Catholic School website for future updates.
